

PP Hollow Board

PP hollow board is the use of one-time extrusion of polypropylene copolymer raw material. Main advantage of PP hollow board: 1. Good mechanical properties 2. light weight, low material cost 3. Sound and heat insulation 4. many varieties: anti-static, electric Conductive, Flame retardant, etc.....

Product Details

Shanghai DER New Material Co., Ltd is a professional **PP hollow board manufacturer** and exporter in china, that is concerned with the design, development and production of **PP corrugated sheet**

1. Introduction of the **PP hollow sheet**

Plastic hollow sheets are a kind of light weight (hollow structure), non-toxic, pollution-free, waterproof, shockproof, anti-aging, corrosion resistant, and recyclable material with a variety of colors and beautiful printing. **Plastic hollow sheets** mainly include hollow grid sheets, conductive hollow plates and anti-static hollow sheets, which are widely used for supporting export vegetable packaging, food, pesticides, light industry, hardware, building ceramics, instruments, and household products, as well as indoor and outdoor advertising decoration, large exhibitions, turnover box materials, glass bottle holders, auto roof and other industries. **PP hollow board** also called: **PP corrugated sheet, corrugated plastic board, pp hollow sheet, polypropylene sheet, coroplast, correx plastic hollow sheet, corflute sheet, cartonplast, pp sheet**

2. Advantage of the **PP corrugated sheet**

- 1) **PP correx sheet** is light weight and easy processed.
- 2) **PP corflute sheet** is durable and rigid.
- 3) **PP corrugated board** is recyclable and washable.
- 4) **Polypropylene sheet** is non-toxic and chemical resistance.
- 5) **PP hollow sheet** is moisture resistance and heat resistance.
- 6) **PP corrugated board** is aging resistance and high tensile strength.
- 7) **PP hollow board** is easy to clean and maintain.

3. Specification of the **polypropylene sheet**

Size: 1220*2440mm, 2050*3050m other sizes can be customized;

Weight: 200-4000g/m2;

Thickness: 2-12mm;

Color: clear, white, black, green, yellow, blue etc.

PP corrugated sheet

Correx plastic hollow sheet

4. Application of the **Correx plastic hollow sheet**

- 1) industrial products packaging
- 2) Luggage bags lining plate
- 3) Canned product plate
- 4) Machinery industry: machine cushion
- 5) Advertising industry: Display case, display rack, advertising board, corona board.
- 6) Home decoration: ceiling, grille

5. Service of the **corflute sheet**

- 1) Professional production team with experience over 15 years;
- 2) Strict QC system to make consistence products;
- 3) Any questions or inquiry would be replied within 8 hours;
- 4) Any quality problem would be refund with 3 workdays ;
- 5) Once find any defective products, we will replace new products with good quality timely.
