### Product Details

Self adhesive vinyl removable glue:  
DERFLEX is importing different high quality glue to apply to our self adhesive vinyl products.  
Permanent glue: After application, the film is difficult to be removed, and the glue cannot be removed together with the PVC film.  
Removable chrome: the glue goes with the PVC film. This protects the objects to be applied with this vinyl

Main advantage of removable vinyl:  
easy to be moved after application.
